SPARTANS 2017

The focus of the sports and culture committee is on college extracurricular activities. Students' growth is greatly influenced by cultural activities such as music, dancing, and leisure pursuits. The sporting and cultural competitions took place in October 2017. The majority of the kids, along with staff personnel, had taken part in a variety of sports and cultural events. The winners received certificates and medals as congratulations.

Exoticans 2021

The collegiate extracurricular activities are the focus of the sports and cultural committee. Cultural interests including music, dancing, and leisure time activities have a significant impact on students' development. The competitions in sports and the arts happened in November 2021. Most of the children have participated in various sporting and cultural events, together with staff members. As congratulations, the victors were given certificates and medals.
