4.3.5 LIBRARY ORIENTATION PROGRAM

A library orientation program was organised for the first B.D.S students every year during the start of the academic session. In this program,

1. The students were instructed about the rules and regulations of the library
2. All the students should register their entry in the register manually
3. The students were shown the dental books collection, basic science books and reference books of all the departments
4. The log book entry before taking books for reading is mandatory
5. Books are issued for the students only with respective ID cards and are prohibited from damaging the books which otherwise done, fine is levies from the respective students.
6. The journal sections which include current and back volumes, magazines and newspapers were shown.
